

Children's Hospital Foundation of Manitoba - Where to Find Us

The Foundation Office (CE501) is located on the 5th floor of the CE/CS Children's Hospital building.

To find us, please enter Children's Hospital through the main entrance at 840 Sherbrook Street. The doors are located in the curved driveway on Sherbrook.

Upon entering those doors, you will pass the Admitting Department, which will be located on your left hand side.

Just past this area will be stair cases, just before a set of elevators with a BLUE DR. GOODBEAR. You will take this stair case down one flight of stairs.

Follow the hallway on your left, until you come to a set of elevators on your right-hand side with a YELLOW DEER.

Please take these elevators to the 5th floor to find the Foundation Office. We will be on your left-hand side upon exiting the elevator.

Should you have any difficulties finding us, please call our main reception at 787-4000.
